

COMMUNITY FOUNDATION

OF WESTERN PA & EASTERN OH

Students & Parents

Funds underneath the Community Foundation of Western PA & Eastern OH currently offer more than 200 scholarships throughout our region. These represent an amazing way to invest in our community's next generation of leaders. Because of the generosity of our donors, the Community Foundation was able to disburse over **\$780,000.00** in scholarships in 2018.

Most donors desire to help graduating high school seniors who will be continuing their education at the post-secondary level. Selection criteria can range from choosing students who are graduating from a specific high school, to a student with a love of playing music. Many times it comes down to a student exhibiting virtues that remind family members of a loved one.
